LABS

WORLD CRICKET LEAGUE

- World Cricket League (WCL) is a 3D multiplayer, casual cricket game with the goal to score maximum runs and or chase a specific target in desired overs. The objective of the player is to hit as many sixes and fours to win matches and be on top of the Leaderboard.
- **PLATFORM** : Android / iOS
- **TARGET AUDIENCE** : All Age Groups, Casual Gamers, Cricket Enthusiasts etc.
- **ART WORK** : 3D Players and Environment Models. 2D UI

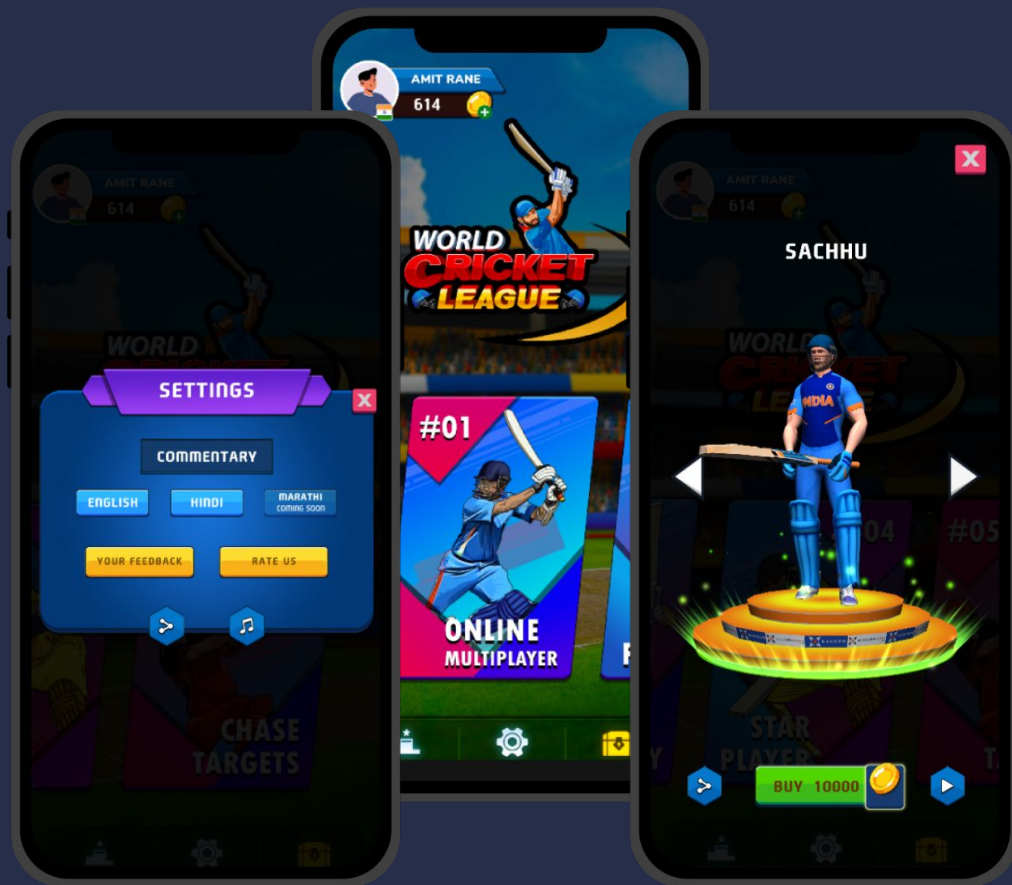

GAME OVERVIEW

- WCL is a brand new multiplayer game where you can challenge and defeat players across the globe.
- The player has to swipe left, right and up to score runs in respective directions.
- The player has to time his swipe to score maximum runs and win the match.
- Each player gets 1 over to play, the top scorer wins the match.
- In other modes the player can play as a star player himself or can chase specific targets.
